16.	Discussed with Virginia Speliman,
Senator's effice cor	Harrison Williams, correspondence with the secretary 25
employee who term	inated for reasons of illness on 2: January 1953.
Miss Spellman was	somewhat embarrassed that we had even bothered
to call on the matte	I as they had attempted to state as clearly as
possible on the tree	semittal that the Senator only desired "whatever
ANTOPONIALISM YOU doe	on appropriate so I may respond to her inquiry."
Clad but and a poll	man we had no record of any claim having been
